

Simplified Link-O-Loon Heart

Valentines

Product Required:

6" Fashion Black Link-O-Loon x78 - 20002559
 5" Reflex Fuchsia x40 - 20016000

Estimated Labour time: 30 minutes.

Construction Method:

1. Create the following chains of Link-O-Loons sized to 5".

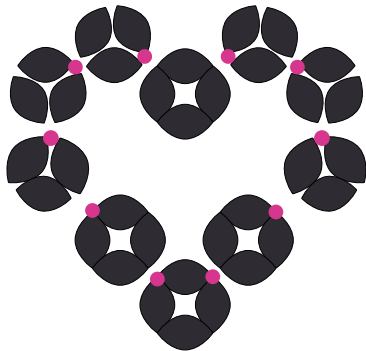

Chain of 4x Link-O-Loon x4

Chain of 3x Link-O-Loon x6

2. Inflate 10x single 5" balloons to 2"
3. Split each of the 5" balloons by twisting in half, then add into the Link-O-Loon clusters. Add 2 to 1 cluster of 4, 1 to 2 clusters of 4, keep 1 cluster of 4 empty. Add 1 split duplet to every cluster of 3. Use the following diagram for reference when building the heart.

4. Twist the split duplet around each following section to create the shape of the heart.
5. Create a second identical heart using method above.
6. Inflate 10x Link-O-Loon "plugs" by attaching 2x 5" balloons inflated to 3.5" to either end of the Link-O-Loon. Use the plugs to fill the gaps in first heart, then add the second heart to lock in place.

Use 12" Link-O-Loons inflated to around 8" to create a stunning giant version of this design. Reduce by 2" for the smaller Link-O-Loons.

A Step-by-step video of this design, and others similar, can be found on the Decorator Hub at amscan.co.uk. Click the link on the home page and go to "How-to Videos"!
