# White Wedding Table Centrepiece

## Occasions

### Product Required:

14x 5" Fashion White 20001968  
 3x 5" Reflex Champagne  
 3x 5" Reflex Truffle  
 1x White Orbz 4030701  
 1x 260 Clear 20002842  
 1x Leaf Wire Garland 220368  
 1x Stone coaster or similar  
 1x Garden cane (approx 70")

Estimated Labour time: 15 minutes.

### Construction Method:

1. Drill a hole in the centre of the coaster and clean the dust out. Cut the garden cane down to required size and super glue, or epoxy into the drilled hole. Hold in place with hot glue gun if glue isn't an instant bond. Leave for a few hours to set properly
2. Inflate 2 clusters of 5x 5" balloons to around 4.5" and set aside. Inflate 2 more clusters of 5 to 3" and tie into the previous clusters to create 1 piece for the base and 1 for the topper.
3. Wrap the 2 clusters at the top and bottom of the cane.
4. Air inflate the Orbz and tie a 260 around the neck, then tie into the top cluster of 5" balloons.
5. Finish by dressing the design with the leaf garland.

Add in LED wire to create a nice effect and to increase perceived value.
