

CHRISTMAS GIFT

Created By Chris Horne, Amscan International Limited.

Extremely simple to create, this design, which is suitable for a Centrepiece, Delivery or just for general decoration makes the most of the innovative formats found in Anagram balloons...

Product Required:

- 1 x 3139501 UltraShape Present
- 1 x 3139701 UltraShape Christmas Tree
- 1 x 3398701 MultiBalloon Sitting Santa
- 2 x 3058502 Gold Stars
- Balloon ribbon
- Balloon Bond

Construction Method:

1. Inflate the Present and Sitting Santa balloons with air, and stick them together with Balloon Bond.
2. Inflate the 2 stars and the Christmas tree with Helium, attach them to ribbons and arrange as desired.
3. Tie the helium filled balloons to the bow on the top of the present.
4. If required, additional weight can be added by attaching plastic balloon weights to the bottom of the present.

Estimated Labour time: 10 to 15 minutes.
